# AVYOL EDGE 0W-30 C2

API SN SAE

## FEATURES & BENEFITS

- High-performance synthetic oil developed for modern passenger cars with advanced emission systems.
- Formulated to meet ACEA C2 and API SN standards, delivering both fuel efficiency and engine protection.
- Low SAPS (sulfated ash < 0.8%) protects diesel particulate filters and gasoline catalytic converters.
- Offers excellent resistance to thermal breakdown and oxidation for consistent high-temperature performance.
- Reduces friction and enhances fuel economy, especially under city and partial highway driving.
- Controls engine wear and minimizes sludge deposits for prolonged engine life and cleanliness.
- Stable oil film under heavy loads ensures optimal lubrication under varying Indian driving conditions.
- Low volatility base reduces oil consumption and supports extended oil-change intervals, reducing maintenance cost.

## APPLICATIONS

Ideal for modern petrol and light diesel cars requiring 0W-30 C2, especially those with emission control components, offering reliable performance under Indian road and climate conditions.

## CREDENTIALS

Meets and exceeds ACEA C2 and API SN specifications.
