SJ 20W-40 MA2

AVYOL EXCEL SL/CF 20W-50

API SL CF SAE

FEATURES & BENEFITS

- Premium-grade mineral engine oil formulated for both petrol and diesel vehicles operating in tough driving environments.
- Controls piston deposits, varnish, and combustion-related sludge, ensuring cleaner engine internals.
- Offers excellent wear protection and thermal stability in high-load and high-temperature conditions.
- Maintains optimal viscosity and film strength for extended engine protection and performance.
- Minimizes oil consumption and reduces exhaust emissions in aging engines.
- Supports cold start reliability and reduces noise during idling and acceleration phases.
- Improves overall engine performance and contributes to longer drain intervals and smoother driving.

APPLICATIONS

Recommended for older-generation petrol and diesel vehicles requiring thicker viscosity oils. Ideal for cars, SUVs, and commercial vehicles from Tata, Fiat, Maruti Suzuki, and similar manufacturers. Performs reliably under hot weather, frequent short trips, and heavy city traffic.
