AVYOL CNG ECO 15W-40

API SN, JASO MA2

FEATURES & BENEFITS

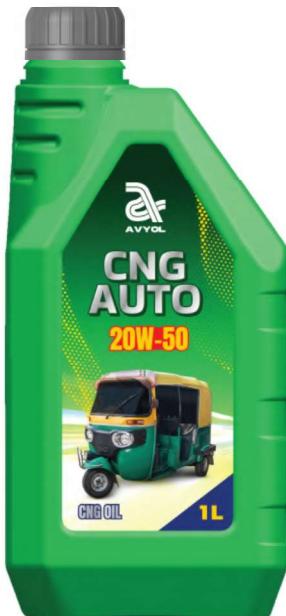

- Specially formulated for dual-fuel vehicles operating on CNG, LPG, and petrol engines.
- Provides excellent thermal and oxidation stability to withstand high combustion temperatures generated by gas fuels.
- Prevents oil thickening, sludge buildup, and wear even during extended idling and city traffic cycles.
- Reduces deposits on pistons, valves, and spark plugs, enhancing combustion efficiency and smooth operation.
- Balanced ash content helps prevent pre-ignition, ring sticking, engine knocking, and spark plug fouling.
- Improves fuel economy and extends oil life with stable viscosity and reduced volatility.
- Ensures dependable year-round performance, clean engine operation, and longer component life.

APPLICATIONS

Recommended for passenger cars, auto rickshaws, vans, and light-duty commercial vehicles powered by CNG, LPG, or petrol. Performs reliably under urban traffic, fleet operations, and long-distance highway service. Suitable for dual-fuel engines requiring robust and clean-burning oils.

CREDENTIALS

Meets API SL and API CF. Developed for vehicles using compressed natural gas and liquefied petroleum gas systems.
