

4TSUPER

SJ 20W-40 MA2

AVYOL 4T NEXT GEN 5W-30

API SN JASO MA2

FEATURES & BENEFITS

- Next-generation four-stroke motorcycle oil designed for premium engines and enhanced protection.
- Formulated to meet API SN and JASO MA2 standards, offering cutting-edge lubrication.
- Strong resistance to oxidation and high-temperature breakdown under severe loads.
- Delivers superior clutch performance, enabling precise acceleration and smoother shifts.
- Controls sludge and piston deposits to maintain peak cleanliness and performance.
- Reinforces oil film stability even under harsh riding environments.
- Minimizes volatility for lower oil consumption and longer drain intervals.
- Advanced emission-friendly formulation compatible with catalytic converters.

APPLICATIONS

Developed for advanced four-stroke motorcycles requiring high-performance 10W-30 oil. Designed for Indian road conditions, offering consistent protection in long commutes and touring.

CREDENTIALS

Meets and exceeds API SN and JASO MA2 specifications.

SUITABLE FOR USE*:

- | | |
|----------------------|----------------------------|
