

4TSUPER

SJ 20W-40 MA2

CNG

AVYOL CNG AUTO 20W-50

API SN, JASO MA2

FEATURES & BENEFITS

- Specially formulated for three-wheelers and compact commercial vehicles operating on dual-fuel systems including CNG, LPG, and petrol.
- Delivers superior thermal stability, protecting engine components from high-temperature stress and combustion residue.
- Reduces sludge formation and valve deposits, ensuring better combustion, cleanliness, and reliable engine function.
- Resists oil nitration and oxidation, helping extend oil drain intervals and lower overall maintenance costs.
- Ash content is balanced to minimize pre-ignition, spark plug fouling, and valve sticking issues.
- Supports reliable all-season performance, even in older vehicles with high mileage and demanding usage cycles.
- Enhances fuel economy while reducing oil consumption, especially under heavy traffic and stop-start driving conditions.

APPLICATIONS

Recommended for three-wheelers, passenger cars, vans, and city taxis using CNG, LPG, or petrol fuels. Designed for commercial fleets and personal vehicles operating under both short-haul and continuous usage conditions.

CREDENTIALS

Meets API SL and API CF. Provides stable and consistent engine protection up to 5,000 km* under suitable operating environments.

SUITABLE FOR USE*:

- | | |
