SJ 20W-40 MA2

AVYOL AUTO AXLE EP 85W-140 GL-4

API SN, JASO MA2

FEATURES & BENEFITS

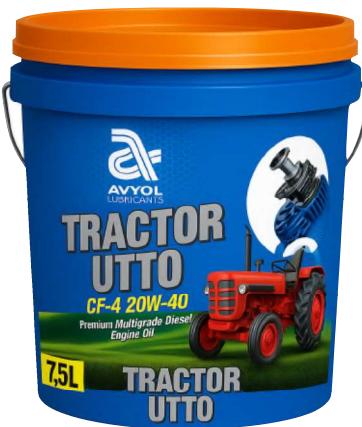

- Premium heavy-duty multi-grade EP gear oil engineered for axles and manual transmissions requiring API GL-4 performance.
- Provides proven protection against gear wear, rust, and corrosion under medium to heavy load operating conditions.
- Delivers excellent load-carrying ability and extreme pressure resistance with consistent shear stability.
- Improves cold-weather gear shift performance and protects against gear scuffing and pitting.
- Reduces gear whine and operating noise while supporting better fuel economy through friction reduction.
- Enhances oil film strength and thermal stability, promoting longer drain intervals and extended gear life.

APPLICATIONS

Recommended for use in drive axles and non-synchronized manual transmissions of LCVs, HCVs, off-road, and passenger vehicles. Suitable for commercial and industrial vehicles operating under high-load, mixed-terrain, and variable temperature conditions where API GL-4 gear oils are specified.

CREDENTIALS

Meets API GL-4, ZF TE-ML 04G/07A/08. Complies with AGMA 9005-E02, DIN 51517 Part 3, ISO 12925-1 CKC/CKD, and U.S. Steel 224.
