

4TSUPER

SJ 20W-40 MA2

AVYOL 4T SUPER SJ 20W-40

API SJ JASO MA2

FEATURES & BENEFITS

- Premium four-stroke motorcycle engine oil designed for daily commuting and long-distance riding.
- Formulated to meet API SJ and JASO MA2 standards for optimal protection and performance.
- Provides excellent resistance to wear, oxidation, and thermal breakdown in high-heat conditions.
- Improves wet clutch performance, ensuring smoother acceleration and consistent gear shifts.
- Reduces piston deposits and helps maintain engine cleanliness throughout service life.
- Maintains oil film strength under heavy loads and frequent start-stop traffic scenarios.
- Minimizes oil consumption and supports longer drain intervals for enhanced service convenience.
- Optimized low-phosphorus content ensures compatibility with modern emission systems and catalytic converters.

APPLICATIONS

Recommended for all four-stroke motorcycles, scooters, and geared two-wheelers requiring 20W-40 engine oil. Suitable for all-season use under Indian road and weather conditions.

CREDENTIALS

Meets and exceeds API SJ and JASO MA2 specifications.
