

4TSUPER

SJ 20W-40 MA2

AVYOL PSO SUPER 20W-40

API SN, JASO MA2

FEATURES & BENEFITS

- Specially formulated for agricultural diesel pump sets operating under continuous and demanding rural field conditions.
- Provides reliable piston cleanliness and strong control over sludge and deposit formation.
- Ensures excellent engine protection during high-load, high-temperature and dusty operating environments.
- Reduces oil thickening and combats harmful combustion by-products for steady engine function.
- Enhances fuel economy while maintaining viscosity and stability over prolonged usage intervals.
- Improves cold start reliability and ensures smooth engine performance in every season.
- Minimizes wear and tear, extends equipment service life, and reduces long-term maintenance costs.

APPLICATIONS

Recommended for diesel engines used in agricultural pump sets, irrigation units, and stationary diesel generators. Ideal for use in rural areas and remote operations requiring dependable, long-lasting engine oil performance.

CREDENTIALS

Meets API CF and API SL performance levels. Engineered to meet the durability standards of pump set manufacturers and field-tested conditions.

SUITABLE FOR USE*:

- | | |
|-------------------------|-----------------------|
| • Kirloskar pump sets | • Crompton Greaves |
| • Fieldmarshal pumps | • VST pumps |
| • Mahindra Powerol | • Mahindra pumps |
| • Honda pumps | • Ankur pumps |
| • Greaves Cotton | • Koel pumps |
| • Ashok Leyland gensets | • Local OEM pump sets |
