

# 4TSUPER

## SJ 20W-40 MA2

# AVYOL TRACTOR UTTO 20W-40

API SN, JASO MA2

## FEATURES & BENEFITS

- High-performance Universal Tractor Transmission Oil (UTTO) developed for agricultural, forestry, mining, and construction equipment.
- Offers excellent wear protection, corrosion resistance, and anti-foam performance for enhanced component life.
- Provides effective frictional properties for smooth engagement of wet brakes and clutch systems.
- Minimizes brake noise and chatter, improving comfort and control in field and transport operations.
- Maintains strong film strength and viscosity stability in both hot and cold weather applications.
- Delivers outstanding shear stability and water tolerance to extend oil and equipment life.

## APPLICATIONS

Recommended for tractors and off-highway equipment requiring a single fluid for hydraulic systems, transmissions, wet brakes, PTOs, and final drives. Suitable for use in heavily loaded axles, oil-immersed brakes, and power steering systems operating in mixed duty cycles.

## CREDENTIALS

Meets or exceeds API GL-4, John Deere JDM J20C/J20D, Allison C-4, CAT TO-2, Case New Holland MAT3540/3525/3509, Massey Ferguson CMS M1143/1141/1135, Kubota UDT.

## SUITABLE FOR USE\*:

- |                   |               |
|-------------------|---------------|
| · Mahindra        | · Sonalika    |
| · Massey Ferguson | · Eicher      |
| · John Deere      | · Kubota      |
| · New Holland     | · VST Tillers |
| · Swaraj          | · Preet       |
| · Escorts         | · Indo Farm   |
