

4TSUPER

SJ 20W-40 MA2

TRACTOR CI-4 15W 40

API SN, JASO MA2

FEATURES & BENEFITS

- Advanced CI-4 grade oil for high-output tractors working under modern emission standards.
- Strong detergent action reduces sludge, soot, and piston deposits in long farm cycles.
- Provides excellent wear protection for rings, liners, and bearings during heavy-duty use.
- Outstanding oxidation and thermal stability extend service intervals.
- Maintains consistent oil pressure and film strength in stop-and-go or continuous ploughing.
- Enhances durability of engines fitted with EGR and advanced emission systems.
- Excellent shear stability ensures reliable lubrication under extreme loads.
- Protects against corrosion and rust in humid and monsoon-prone regions.

APPLICATIONS

Formulated for advanced tractors and heavy-duty agricultural engines requiring 15W-40 CI-4 performance.

CREDENTIALS

Meets and exceeds API CI-4 specifications.
