

4TSUPER

SJ 20W-40 MA2

AVYOL ATFA

API SN, JASO MA2

FEATURES & BENEFITS

- High-quality automatic transmission fluid designed for vehicles requiring Type A Suffix A fluid.
- Facilitates smooth gear shifting, reducing noise and enhancing driving comfort in automatic gearboxes.
- Provides stable frictional properties for consistent clutch engagement and longer transmission life.
- Resists oxidation and thermal degradation, protecting internal components under high temperatures.
- Maintains viscosity stability across wide operating temperatures for reliable year-round performance.
- Contains seal conditioning agents to prevent leaks and reduce maintenance needs.
- Helps reduce transmission wear, sludge, and varnish buildup over extended operating intervals.

APPLICATIONS

Recommended for older-generation vehicles with automatic transmissions, hydraulic systems, and some power steering units. Suitable for use in cars, light trucks, tractors, and off-road equipment operating under moderate load conditions. Not suitable for use where modern DEXRON or MERCON ATFs are required.

CREDENTIALS

Meets GM Type A Suffix A specification. Compatible with systems requiring legacy ATF formulations with balanced friction and seal protection.

SUITABLE FOR USE*:

- | | |
|----------|---|
| • Hero | • Royal Enfield |
| • Honda | • Mahindra Two Wheelers |
| • TVS | • LML |
| • Bajaj | • Jawa |
| • Yamaha | • Vespa (geared models) |
| • Suzuki | • Aprilia (entry-level geared scooters) |

Pack Size	900ml	1L
