

# 4TSUPER

## SJ 20W-40 MA2

## TRACTOR CF4 20W 40

API SN, JASO MA2

### FEATURES & BENEFITS

- Premium four-stroke tractor engine oil designed for reliable farm operations and extended service life.
- Meets API CF-4 specifications, delivering dependable performance under demanding agricultural conditions.
- Provides excellent resistance to oxidation, wear, and thermal breakdown in high-load environments.
- Ensures smoother engine operation with reduced noise and vibration under field conditions.
- Protects against piston deposits and sludge formation for longer engine cleanliness.
- Maintains strong oil film strength during heavy loads, towing, and continuous fieldwork.
- Minimizes oil consumption and supports longer drain intervals for reduced downtime.
- Excellent shear stability ensures consistent performance under variable speeds and torque.

### APPLICATIONS

Recommended for tractors and agricultural machinery requiring 20W-40 engine oil. Suitable for year-round farm use under Indian soil, crop, and weather

### CREDENTIALS

Meets and exceeds API CF-4 performance standards.

### SUITABLE FOR USE\*:

- |                        |                          |
