

4TSUPER

SJ 20W-40 MA2

AVYOL ROYALE SN PLUS 5W-30

API SN SAE

FEATURES & BENEFITS

- High-performance synthetic engine oil designed for modern passenger cars requiring API SN PLUS and ILSAC GF-5 standards.
- Provides proven protection against Low-Speed Pre-Ignition (L SPI) and helps reduce timing chain wear in TGDI engines.
- Enhances piston cleanliness, minimizes sludge, and reduces deposit buildup for cleaner engine operation.
- Improves low-temperature flow for easier cold starts and stable viscosity under high-temperature conditions.
- Reduces oil consumption and volatility while improving overall thermal and oxidation stability.
- Supports extended oil drain intervals with consistent protection in stop-and-go city traffic.
- Promotes efficient engine operation and optimal performance in vehicles with emission control systems.

APPLICATIONS

Recommended for turbocharged and naturally aspirated gasoline engines in passenger vehicles, SUVs, and light trucks. Ideal for year-round use and for OEMs requiring high-performance, low-viscosity synthetic motor oils.

CREDENTIALS

Meets or exceeds API SN+/CF and API Resource Conserving specifications.

SUITABLE FOR USE*:

- | | |
|------------------------|-------------------|
| • Maruti Suzuki Swift | • Honda Amaze |
| • Maruti Suzuki Baleno | • Honda City |
| • Hyundai i20 | • Toyota Yaris |
| • Hyundai Verna | • Volkswagen Polo |
| • Tata Altroz | • Skoda Rapid |
| • Mahindra XUV300 | • Nissan Magnite |
